Bhavin Rajeshbhai Gondaliya
Whole Time Director

KAKA Industries Limited**Business Update – Q3 FY 2025–26****Strong YoY Growth of 34.7% in Q3 FY 2025–26 Driven by Robust Performance Across Product Categories**

7th January 2026: We are pleased to present the business update for the third quarter of the financial year 2025–26. The Company has delivered a solid performance operationally and financially, reflecting continued momentum in execution and demand across key product categories.

Financial Performance:

Particulars	Q3 FY 2025–26	Q3 FY 2024–25	YoY Growth %
Total Revenue	Rs. 63.32 Cr	Rs. 47.01 Cr	34.70%

During Q3 FY 2025–26, the Company delivered Total Revenue of Rs. 63.32 Cr, representing strong Year-on-Year growth of 34.70 percent over Q3 FY 2024–25 revenue of Rs. 47.01 Cr.

Operationally, **all categories of products performed very well**, led by the uPVC profile board segment. The Company witnessed healthy traction across PVC, WPC and uPVC profile applications used in doors, windows, ceilings, wall paneling and interior furniture solutions. Incremental demand from the building material and home improvement markets continued to support volume growth.

The new production facility for uPVC windows is progressing on track and as per planned timelines. The **uPVC windows vertical recorded good improvement in Q3** on a YoY basis with a meaningful increase in production output and customer acceptance. This growth reinforces management confidence in the strategic expansion into the finished windows systems business.

Overall Capacity Utilisation during Q3 FY 2025–26 stood at **66 percent** of the installed capacity.

The Sustained leadership in the uPVC profile board category, the Company remains well positioned for continued growth in future quarters. Management continues to focus on expanding distribution reach, improving product mix and enhancing manufacturing efficiencies.

Mr. Chintan Bodar, Chief Financial Officer, Kaka Industries Limited, said,

“We thank you for your continued trust and support. With scaled-up operations, dependable supply infrastructure, and a robust product pipeline, we are confident of sustaining strong performance in the quarters ahead.”
