With a commitment to quality and creativity, KAKA PVC stands as a trusted name in surface design solutions. Every panel we create reflects our passion for precision.

ABOUT US

Welcome to Kaka Industries Limited – a trusted name in the PVC and modular furniture industry, delivering innovative, durable, and stylish solutions for modern living and commercial spaces. Established with a vision to redefine PVC-based interiors and furniture manufacturing, Kaka has grown into one of India's leading manufacturers and suppliers of premium PVC products and furniture systems.

At KAKA, we specialize in manufacturing high-quality PVC furniture, PVC foam sheets, kitchen cabinets, wardrobes, wall panels, ceilings, partitions, doors, windows, and decorative interior solutions. With a wide range of SKUs across residential, commercial, and industrial categories, we offer products designed to match diverse customer needs, design preferences, and space requirements.

FLUTED PANELS

Fluted Panels beautifully replicate the rich texture and elegant appearance of natural wooden louvers while offering the perfect combination of modern design and practicality. Designed to enhance both walls and ceilings, these panels are an ideal choice for residential and commercial interiors, including living rooms, offices, reception areas, TV units, corridors, and balcony ceilings.

Crafted for versatility and durability, Fluted Panels add depth, style, and a premium architectural finish to any space. Their sleek linear pattern creates a contemporary look that complements modern interior trends while maintaining the warmth and charm of natural wood aesthetics.

Available lengths: 10feet (3060mm)

The length can be customised with minimum order quantity.
